

Arcane Crypto's associated company LN Markets announces launch of Bitcoin options trading

April 22, 2022

Arcane's associates company ITOAM Sarl, the company behind LN Markets today announced the launch of Bitcoin options trading built on top of the Lightning Network.

LN Markets now offers BTCUSD calls and puts with

- 24-hour expiry
- 2 strikes for calls and puts each
- Choice of cash or physical delivery

Torbjørn Bull Jenssen, CEO of Arcane says, "With the addition of options trading, LN Markets shows that they continue to be on the forefront of lightning-enabled bitcoin trading. As outlined by our research team in a recent report, adoption of lightning is growing fast, which together with a strengthened product offering puts LN Markets in a great position for future growth."

LN Markets launched in March 2020 and achieved USD 329M of trading volume in 2021. Arcane has a 16% stake in LN Markets.

About LN Markets
