

Arcane Crypto's cryptocurrency broker Kaupang launches custody service for premium clients

Stockholm October 6, 2021 - Arcane Crypto's wholly owned subsidiary Kaupang Krypto AS has today launched a custody service for its premium clients. Kaupang now offers a full-service brokerage solution making it easy and safe for premium clients to buy, sell and hold cryptocurrencies.

Kaupang's premium service is made available to both individuals and companies who make transactions in excess of 250,000 NOK. The premium service also gives the customer access to a personal Account Manager and personal broker.

"Adding custody to premium clients is an important milestone for Kaupang. In addition to providing a secure service with high levels of support, offering custody of funds will make transactions more seamless for customers," says Torbjørn Bull Jenssen, CEO of Arcane Crypto.

About Kaupang Krypto

Kaupang operates as a broker registered with Finanstilsynet and has the largest selection of cryptocurrencies in the Norwegian market. In addition to their automated purchase widget, they operate an OTC desk for clients who are buying and selling larger amounts of bitcoin and other cryptocurrencies, who need access to deep liquidity on a request for quote basis. This operation model creates flexibility allowing a tailor-made approach to large clients, payment related flow and altcoins.
